# NOTICE

---

The Proceedings of the Royal Entomological Society of London are issued in three series:—

Series A. General Entomology.

Series B. Taxonomy.

Series C. Journal of Meetings.

Series A and B are each issued in parts in an annual volume of approximately 200 pages.

Papers submitted for publication in Series A or B by authors who are not Fellows of the Society may be accepted if they are communicated by a Fellow. Preference will be given to papers written in the English language, but papers of more than 8 printed pages will not normally be accepted for publication in the Proceedings.

Whilst the Society is prepared to undertake the provision of a reasonable number of text-figures, authors are expected to supply the original drawings for such figures, and in the case of plates, half-tone, or colour-work the author may be expected to meet the cost.

A uniform method is adopted for the citation of bibliographical references in the Society's publications as follows:—

SMITH, A., 1936, *Proc. R. ent. Soc. Lond.* (B) 6 : 301–306, pl. 1.

—, 1936, *Trans. R. ent. Soc. Lond.* 84 : 901–936.

Titles of periodicals cited are to be abbreviated in the manner indicated in the *World List of Scientific Periodicals*, 3rd edition, 1952.

Authors are entitled to receive 25 copies of their papers free of charge and may purchase additional copies provided that request be made before publication.

Papers offered for publication should be sent to the Editor, Royal Entomological Society of London, at 41, *Queen's Gate, London, S.W.7*, and must be typewritten on one side of the paper only.

Series C is issued prior to every Meeting. It contains abstracts of communications to be made, together with the titles of papers accepted for publication in the Transactions.

The annual subscription to *Series A, General Entomology*, is £4 0s. 0d.; *Series B, Taxonomy*, £4 0s. 0d. ; and *Series C, Journal of Meetings*, £1 4s. 0d.
